Subject: Notification of Intent to Develop a Groundwater Sustainability Plan

Dear Mr. Joseph:

Pursuant to California Water Code Section 10727.8, the Department of Water Resources (DWR) is hereby given notice that the Kings River East Groundwater Sustainability Agency (KREGSA) intends to develop a Groundwater Sustainability Plan (GSP) for that portion of the Kings Subbasin within the boundaries of KREGSA.

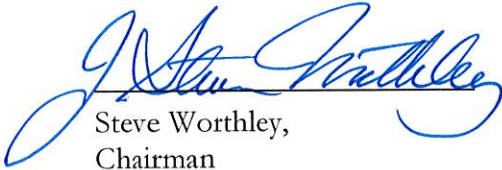

KREGSA will create an advisory committee and may spearhead other outreach efforts to encourage involvement from diverse social, cultural, and economic elements of the population in the development and implementation of a GSP. The advisory committee will be forming very soon and in the meantime the public may participate in the GSP process by attending monthly board meetings. The KREGSA meets at 2:00 p.m. on the third Thursday of each month at the Dinuba City Hall (405 E. El Monte Way, Dinuba, CA 93618). Also, pursuant to California Code of Regulations Section 353.6, information about SGMA updates and the GSP process will be available at KREGSA's website, www.kingsrivereast.org.

The KREGSA looks forward to working collaboratively with DWR on developing and implementing a GSP. Should DWR have any questions about this notice, please contact Chad Wegley, by phone at (559) 471-9852, or by e-mail at cw@altaid.org.

Sincerely,

Kings River East Groundwater Sustainability Agency

Steve Worthley,
Chairman
